## 1. Introduction

- 1.1 Our purpose at Cathcart & District is to satisfy our customers. One of our most important aims is to treat people properly. This involves providing and delivering a high standard of service and customer care in all areas of our work.
- 1.2 We have many customers, both external and internal. This Customer Care Policy relates to our most important group of customers, our residents. These include tenants, prospective tenants, shared owners, and private landlords. Reference to “customers” in this policy should be taken to mean all residents.
- 1.3 Customer Care involves putting customers first and respecting their rights, needs, and views. Our Service Standards are central to our Customer Care Policy. These lay down the standards our customers can expect from us.
- 1.4 The fundamental message to our staff is: *Treat others as you would wish to be treated. Put yourself in the customer’s shoes.*
- 1.5 This policy aims to fulfil the principles outlined in the Regulatory Standard 2. The RSL is open and accountable for what it does. It understands and takes account of the needs and priorities of its tenants, service users, and stakeholders. Its primary focus is the sustainable achievement of these priorities.
